## The SCAN Story

SCAN, a not-for-profit health plan, was founded in 1977 by seniors, for seniors. More than forty years later, seniors are still at the heart of all we do. You can count on SCAN to keep you healthy and independent for years to come. That’s been our mission since day one.

## Solutions for Independence

In addition to the core benefits and extra services described inside, SCAN knows that sometimes our members need a little more care to stay independent in their own homes for as long as possible, so we’ve included these special benefits in your plan to help you do just that.

### SCAN Respite Care Services\*

Providing a short-term break from the demands of caregiving, SCAN offers respite care for full-time, unpaid caregivers caring for SCAN members.

- Up to 40 hours per year (4-hour minimum per visit) in the member’s home where the primary care giving takes place.

### Home Delivered Meals\*

Maintaining proper nutrition following a hospital and skilled nursing facility stay can help avoid a readmission. SCAN delivers on its promise to keeping seniors healthy with \$0 home-delivered meals for up to 28 days per year.

### Emergency Response System\*

Personal emergency response system that enables members to remain at home, living safely and independently.

- \$0 (includes installation and monthly fees)

\*Criteria and limitations apply.

SCAN Classic (HMO) and SCAN Options (HMO) is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

Copay/coinsurance may vary by plan and county or depending on the pharmacy you choose (e.g., Preferred or Standard, etc.) or whether you receive a one-month or a three-month supply or when you enter another phase of the Part D benefit or if you receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call SCAN Member Services for details.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts Pharmacy is our Preferred mail order pharmacy. While you can fill your prescription medications at any of our network mail order pharmacies, you may pay less at the Preferred mail order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan's Member Services. For your mail order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
